Date _____

Group Name _____

The 7th Tradition tells us that we are self-supporting through our own contributions. In order for the Area to pay its own way and see to it that the message of AA is carried throughout the Area, we must rely on your generous contributions. It is at this time that we wish to thank you for those contributions by your group in the amount of \$_____.

We, as trusted servants, are also challenged to be good stewards of the Fellowship's money. As a group or district treasurer, you can help us keep records of the contributions received by completing the simple form provided below and enclosing this form with your contributions.

Thank you,

Richard A. S.,
Area 60 Treasurer
